

# The Squawk

By: Peggy Pierce

## Merry Christmas!

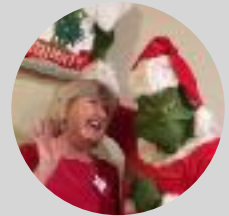

The Annual Christmas Party was held on December 1, 2018 at Peggy Pierce's home in Forney, TX. The Chapter enjoyed a nice dinner and drinks, then on the front door a strange knock really loud. The Grinch crept in to judge the crowd. He was impressed we were pilots, and walked with a grin. He didn't steal Christmas, the Grinch with the win!

Members who attended were Jean Gray, Kaylee Jeffries, Lynnette Bascom, Peggy Pierce, Juanita Attaway, Holly Barr, Justine Winkler, Marla Eisenberg, Miyukiko Kostelny, Kay Alley, Janny Strickland, and Laurie Peake. If you couldn't join us, we hope to see you in 2019!

You can see more pictures from the party if you follow us on Facebook! Search for "Dallas 99s."

## SWA Holiday Bazaar

The Southwest Airlines Holiday Bazaar on Nov. 19, 2018 was successful in bringing in just over \$300 in sales! We sold Sectional Mugs and Totes that we purchased from [ChartItAll.com](http://ChartItAll.com), Kaylee made Wine Toppers showcasing local airports, Lynnette and her sister made Airplane Pot Holders, Aprons, and Scarves, Holly made beautiful Wine Bottle Carriers, and the whole chapter decorated Wine Bottles. We do have plenty of mugs and wine toppers left if anyone is interested in purchasing one! The mugs are \$15 and wine toppers are \$8. You can contact Laurie Peake or Peggy Pierce if you're interested in purchasing! A big thanks to everyone who donated items or helped with crafting. Also, thank you to Darisa Laurens, Marla Eisenberg, and Kaylee Jeffries for working the booth during the Bazaar.

## South Central Section Conference

Chapter Member Kay Alley and Chapter Chairman Laurie Peake attended the South Central Section Conference with their husbands Marion and Stu. The Conference was October 26-27, 2018 in Wichita Falls. They were thrilled to be present when Carol Morris from the Fort Worth Chapter received the Wright Brothers Award for 50 years of flying from the FAA. Laurie also had the pleasure of meeting a few Sheppard Air Force Pilots too. The group had such a fun trip!

## Brunch with Christine Darden

Mid September, the group received an invitation from Cindy Weber to attend a Women's Network Brunch with Dr. Christine Darden, retired NASA mathematician and aerospace engineer. Christine spoke at The Frontier's of Flight Museum and signed the book "Hidden Figures," chronicling African-American women who helped win the space race. Those in attendance were Cindy Weber, Juanita Attaway, Kaylee Jeffries, Laurie Peake, and Holly Barr.

## In Memory of Ann Reed

Ann Koenig Reed was an active member of the Dallas 99s for the entire duration of her membership. She served in various offices, including Chairman, volunteered for every activity, and attended every meeting and party with few exceptions. She loved South Central Section meetings, and attended some International conferences.

Ann could always be counted on to participate in our Flying Companion Seminars. Her teaching skills came to light during these events. Her favorite topic was Weight and Balance, and she presented it with great gusto, to the amusement of our attendees. She always helped with our Girl Scout seminars by presenting a topic, distributing airplane cookies and space ice cream, registering attendees at the door, or wherever else she was needed.

Pancake breakfasts were another favorite activity for Ann, as were our airmarking projects. She used her engineering skills where possible, and her T-square to lay out letters when airport names were requested. She was a joy to be with because she was brilliant, diligent, a constant source of amusement, and kept the conversation lively.

Ann was full of flying stories, which she readily shared during Chapter meetings. Her favorite airplane was her beloved Navion.

We miss Ann very much, and we are grateful for the time we had with her. Written by Holly Barr.
