The Dallas Chapter Welcomes you back to TX!

Dallas Love Field 5k

A few of our members participated in the 5K at Dallas Love Field on May 12, 2018. The race was on Runway 13L starting at 8:00am behind the Frontiers of Flight Museum. After the race, everyone enjoyed water and snacks while they watched the Award Ceremony.

A little fun fact: The airport was named after Lt. Moss Lee Love, who began his Army career serving with the famed 7th Cavalry in the Philippines. 2018 marks the 101st Anniversary of Dallas Love Field, which now operates nearly 700 flights per day.

Girls In Flight Training (GIFT)

Marla Eisenberg volunteered for the Girls In Flight Training (GIFT) Academy in Lancaster, TX June 3-9, 2018. Juanita Attaway and Darisa Laurens were scholarship recipients for the Academy. The ladies went through an intensive ground school and received flight time.

GIFT is specifically for women ages 18 and up. It is meant to assist students in understanding basics of flight, the joy, safety, dispel myths and fears, passing the written tests, and/or prepare for an oral and practical test.
