Dorothy Warren

Dorothy Warren Flew to New Horizons on May 3, 2017 at age 85, following a stroke. She was a beloved and treasured 99s Life Member. In recent years, Dallas Chapter members enjoyed meeting at her apartment for parties, and her Powder Puff Derby presentations with Jerry Glennie for Girl Scout STEM Seminars. She was a volunteer at The Frontiers of Flight Museum, attended all South Central Section meetings, and was an active participant at Dallas Chapter meetings. She was slated to become Vice Chairman this fiscal year.

Pictured with Dorothy Warren in 3 of the photos is 99s Member, Jerry Glennie.

Dorothy attended all of the Section Meetings with Holly Barr. This picture is from the Spring 2015 Meeting in Fayetteville, AR. Dorothy thought this cow was the cutest thing ever!

Free \$20 Chili's Gift Card!

We want to hear from you! Kay Alley recently mailed out questionnaires with return envelopes, and we would like to get as many responses as possible. We would like to hear how we can make our chapter more exciting and get more involvement from our members. If you fill out the questionnaire and have it post marked by June 25, you will be entered in a drawing for a \$20 Chili's restaurant gift card!

You can always appreciate a pilot with a good sense of humor!

Michelle Maloney recently did her first solo in this Cessna-172!

Start looking at 99s Scholarships for 2018. Most deadlines for applications are this fall!

CONGRATULATIONS ON YOUR ENGAGEMENT!

Our very own Courtney Frank recently became engaged to her boyfriend, Nick Allen. Nick and Courtney are both pilots. They met in college at Louisiana Tech University, where they both studied professional aviation. Nick got hired by ExpressJet and is currently based in Dallas. This led Courtney to flight instruct in Dallas. She is currently a Flight Instructor and Class Coordinator at U.S. Aviation Academy. They are thrilled to continue to share their passion together!
